

SmartSpace

Organising home & business

SmartSpace aims to create calm order in homes by sorting, tidying, organising and de-cluttering your space - so that you have the time and energy to focus on the more important things in your life.

Too many clothes for the space?

SmartSpace will help you sort your clothes so you can clearly see what you own. We will then simplify your wardrobe and re-organise clothes in a practical and attractive way. Your wardrobe will soon give you pleasure again.

Can't find important documents? Not sure what to keep and where?

SmartSpace will sort and then store your papers in a filing system you will be able to maintain. You'll feel much lighter when your paperwork mountain diminishes.

moving house

Does your home need to be presented for sale? Need help unpacking at the other end?

SmartSpace will stage your home ready for photos and viewings and help you declutter. Then, in your new home, only the items you use or enjoy will be organised into their new space - imagine that!

Need to optimise your space or change a room's purpose?

SmartSpace will re-invent an area or room by using and moving your furniture and accessories. Improving the flow of your home and using spaces as they should, will re-energise you and your living environment.

These are just some of the ways SmartSpace can re-inspire your space.

You may have other belongings or areas that you feel overwhelmed with, such as your photo and book collections, children's toys, garage, loft, kitchen

The initial free, no obligation, consultation will give us an opportunity to meet each other, for you to ask me any questions and for me to find out how I can help you based on your priorities, aims, budget and timescale.

about SmartSpace

Rest assured you will not be made to give up any belongings you don't feel ready to let go of.

Guidance and tips on storage, de-cluttering and being organised will be given during the sessions, but its totally your choice as to the level you want to go to - it has to work for you.

I have a background in Office Management which involved changing systems to suit changing offices. I am passionate about the benefits of living in organised spaces and would like to share this with others. I will be respectful of your home and belongings and will provide a practical, calm, non judgemental service.
